

RECYCLING LIST

Recycling helps conserve landfill space, natural resources, and controls waste disposal costs. Don't throw these items away! Recycle them instead.

Plastic

All hard plastic containers including buckets, plastic jugs and bottles (with or without caps).

Paper

Cardboard, food boxes, junk mail, wet strength, paperboard, newspaper, magazines, phone books, juice boxes and shredded paper (placed in clear plastic bags).

Glass

Glass bottles and jars, food grade glass containers.

Metal

Aluminum cans, metal cans, small metal appliances and empty aerosol cans (No Paint, Pesticides, Oven Cleaners).
